Welcome to Heritage Open Days 2024

Heritage Open Days (HODs) is England's largest festival of history and culture. Run by hundreds of local organisations and volunteers, you can discover unique stories, fascinating places, hidden gems and have experiences to remember by visiting hundreds of amazing **FREE events across Norfolk from Friday 6 - Sunday 15 September.**

Celebrating its 30th anniversary, HODs offers everyone the opportunity to explore heritage sites and learn more about the cultural heritage in our communities in ten unmissable days of tours, talks, walks, open days, exhibitions and much more.

This year's theme, *Routes - Networks - Connections*, celebrates how people and ideas have moved and come together throughout history.

Norfolk HODs is a collaboration between all the venues, organisers, community partners and volunteers who work to bring the festival to life for thousands of residents and visitors. The Forum Trust funds the coordination and promotion of Norfolk HODs each year as part of its charitable purpose and the programme is managed nationally by the National Trust with support from players of People's Postcode Lottery.
